

# Expanding Research Capacity in Safety-Net Institutions

Strategies & Solutions

**June 4, 2025**

12:00 - 1:00 PM CT

## About This Webinar

Our nation's safety-net healthcare institutions hold valuable insights for improving health equity, but structural and financial barriers often limit their ability to conduct and disseminate research.

### Join us!

Leaders from Sinai Urban Health Institute, America's Essential Hospitals, and UI Health Mile Square Health Center will present case studies and a live discussion on strategies to expand research capacity within safety-net organizations to advance community-driven research.

### About Sinai Urban Institute (SUHI)

SUHI proudly celebrates 25 years of advancing its mission to ensure all individuals have the opportunity to thrive in health. Since 2000, SUHI has led public health research, training, and community-driven solutions across Chicago and the United States.
